

December 2025

As we celebrate the coming of our Lord Jesus Christ, we are thankful for His saving grace that is taking place throughout the world. It's always encouraging to hear of people being saved through local church plants. Jesus gave the commission to reach the world through church planting and it's a great privilege to be a part of His mission.

Thank you to all who have prayed for, given to, and labored in, the church plants in 2025. These churches are aggressively reaching their communities and supporting foreign missionaries to advance the cause of Christ. Below is a list of these new works.

- Palm Bay, FL - Bayside Baptist, Pastor Mark Bohman Jr
- New Castle, PA – Keystone Baptist, Pastor Jared Ballou
- Cape Girardeau, MO – Cape Baptist, Pastor Jimmy Jackson
- Los Angeles, CA – Skyline Baptist, Pastor Robbie Yapp
- Footscray, Australia – Graceway Baptist, Pastor Joshua Zacharias,
- Riverside, CA – Revival Baptist, Pastor Daniel Ward
- Rostraver, PA – Valley Baptist, Pastor Sean Johnson
- Mentor, OH – Mentor Baptist, Pastor Steve Yelenic

Thank you again for investing in BCPM! Your investment is helping to reproduce churches that are reaching lives with the gospel and God's Word. May the Lord bless this wonderful Christmas season.
