

Hardie - 12/12/2025

Greetings All,

We boarded the bus at 3:00 am, preparing for a 4:00 am, departure to Senanga. Yesterday, Thursday, We went into Social Welfare Headquarters, asking several questions. They advised doing adoption first, then, doing his passport. More than likely proceedings will take place in Mongu, keep you informed as we progress, thanks, God Bless!!!

Samuel finally heading to Senanga.

Your continued prayers are appreciated. We are very proud of Samuel he worked very hard through his sixth Grade year. Seventh Grade starts for him January 16, 2026.

He will be celebrating his birthday December 16th, in Senanga, pray for the Lord's will and timing in our coming days. Samuel is seeking to make a peanutbutter silk pie for his birthday, remembering his Grandma Hardie's delicious pie.

We received a box, this time managing to get it to the bus. We gained some Bibles, laminated Gospel calendar papers, Awesome back packs, shirts, a pair of shoes. Raw Meal, and several other little items. We are thankful. Samuel refurbished an old wooden chair from the 40's or 50's , it looks great in a woodworking class.
