

# Hardie - 12/23/2025

Greetings all,

The year is quickly coming to a close. 2025 has had its challenges, excitements, growing pains, blessings, and many things to thank the Lord for. Looking to 2026 for our Lord's direction, guidance, and his purposes to be accomplished.

We are so thankful for those of you that have helped through prayer and support; We had managed from our start in Zambia in 2013, until this year without a freezer and Oven it has made life much more manageable.

\*Provision of formula for babies in need.

\* A freezer

\* An Oven

\* Bibles, Gospel papers, needed supplies, cloths, shoes, back packs etc from the states be shipped.

We again are so thankful for those who have supported Samuel's Fifth and Sixth Grade year at Sakeji. Samuel has been very responsible in his schooling. He has managed to be in the top of his class in Sixth Grade. He has gone through some growing pains beginning his formal school career in Fifth grade. He was home Schooled through Fourth Grade. He has become a well respected peer and student . Thankful for Samuel School staff. Samuel enjoys studying, sports, and building friendships. He has three friends numbers to talk to them over break.

Please keep Samuel in your prayers; He broke or scratched his two pairs of glasses, we will need to get two new prescription glasses before going back to school resuming January sixteenth. We need to replace a few clothing articles, a basketball (optional), football (soccer) (optional), a few trousers (pants), deorm sandels, other school supplies.

We enjoyed Samuel's and the Students award ashassembly, their end of the year program was special, It's focus was their Hundred Year Anniversary. We purchased three Sakeji T-shirts, a coffee cup, a couple Sakeji stainless drinking bottles, and Sakeji key chains for Samuel and Sarah, three Sakeji Sakeji sweat bottoms for us. These added up to \$170.00. We considered it would be good for Samuel to have some memories of his Hundred Year School Anniversary Year. This was added to our \$900 Tuition for his first term. We supported the school a little more than we planned.

We are thankful for our friends who provided for Samuel's first Seventh grade Term beginning January 16th, 2026 of \$900 .

Please pray for Samuel's second and third term at Sakeji.

Please pray for his provision this coming year as we look to turning in the request for beginning the process for Samuel's adoption to Lord willing make it easier to travel and attend school possibly in the states. Lord willing the Lord leads pray I would possibly once again resume employment in the states. Thankful the Lord knows tomorrow, pray we will hear and heed. God bless You and yours.

Prayers for all who follow and support us.

Pray that our outreach will make an impact where people will be truly committed to a relationship with Jesus Christ in the form of Bible study and weekly meetings. Have a Christ filled Christmas and Happy New Year.
