

ABRAM GOMEZ

February 9, 2026

By now, any memory of home seems distant, any concept of home—elusive. There's a Heavenly home above and the places I have been and will be below. Today it's Goodrich, Michigan; in a few days, it will be Texas, then California, Ohio, Virginia, Iowa, etc. The cities change, but the message is the same: Jesus saves! Call upon His name. Show and tell of His love. He's coming soon!

Thanks and Praise

Missions Conference at the First Baptist Church of Hammond was a lifetime highlight that I'll never forget: soul winning, food, fellowship, coffee serving, and blessings abundant. I am so thankful for Pastor Wilkerson's heart for missions and the dear people of First Baptist Church that I got to connect with. I praise God for what He's doing through this church/agency and really all of the missions-minded churches across the USA.

Traveling Mercies

I'm on a WhatsApp group of missionaries in Africa, and we often share needs and prayer requests. To make a long story short, I will be traveling to Burundi, East Africa (just south of Rwanda), in a month to deliver radio equipment to a veteran missionary, Gregg Schoof. This exciting six-day trip (no expense to me) will certainly provide a blessing to a fellow missionary, an adventure for myself, and, most importantly, a light to the lost people in Burundi through Gospel radio ministry. I am so thankful for any and every opportunity I get to help spread the Gospel in any part of the world. Please pray for my safety during this trip, as well as my travels on the road, as the highways are sometimes wet and icy. Pray that my Tacoma stays healthy too!

Finishing Strong

I have very few meetings on my calendar for the months of April and May, so please pray that these months get filled; if you know of any churches and/or conferences, please reach out to them or me. At roughly 80% of my support, I still need prayers that nothing gets in the way of my going where God has called me to go and doing what He has called me to do. Please pray that God leads me to those churches that will partner with me in getting Gospel churches planted in some of the most open and receptive regions of Africa. Pray that I walk by faith. Pray that I can be a blessing and an encouragement to the churches I visit and that God would use me to stir the hearts of more people to get involved in foreign missions.

For the sake of the Gospel,
Abram Gomez
