March 2026

Dear Supporting Churches and Praying Friends,

Thank you so much for your prayers for us over the last several weeks. God has been so good in blessing the events at our church, as well as with Team Peru. As many of you know, we ended the year with a Christmas program at our church. We rented a tent and closed down the street in front of our church. We had a play, several songs, and a Gospel presentation. About 295 people were present, with over 50 first-time visitors. Over 40 of our visitors made a profession of faith in Christ.

Since then, we've had several big events. It's summer in Peru, so we always have Vacation Bible School in January! This year went very well, with over 100 kids in attendance. Shortly after that, we took our teens to camp. We help host the camp every year with Team Peru. Two of our teens accepted Christ and were baptized! Several more made big decisions to serve the Lord with their lives. We also had a big day at church for our church anniversary service.

We also had a wonderful turnout for Team Peru's annual Pastors' Conference. This year, our church folks really got involved in the preparation and service. It was a huge blessing to see several newer converts and their families serving this year. We ended up with over 700 in attendance on the last night, with several saved and baptized as well.

Please pray for several upcoming events! We have many trips planned to the jungle and across Peru over the next several months. Please pray that the Lord would use these conferences and outreach trips to reach more with the Gospel and train more servants. In our church, we're also planning several big days, including our Resurrection Sunday service on April 5.

God bless you,

Zach and Cassandra Foust
