### That Christ May Have the Preeminence

March 24, 2026

Hello from the Philippines!

2026 is already flying by, and we are so honored to be serving the Lord here. We are thankful for everyone who makes it possible and think of you often. Our theme for 2026 is, "That Christ May Have the Preeminence." We want the Lord to be glorified in every aspect of our lives and ministry. It is our prayer and goal that He will be exalted more and more throughout the year.

December marked 10 years since the fire that destroyed our facilities in 2015. It is one of those memories that seems like yesterday and a long time ago at the same time. We were reminded of God's faithfulness and blessing as we gathered after the morning service for a picture. I will include both pictures here, and I trust your heart will be encouraged as well.

2015

2025

Our Valentine's Banquet was a great success this year. More than 60 married couples from our church attended the banquet. Pastor Courtney Godsoe brought a powerful message from the Bible, and we were challenged to build strong Christian homes that exalt our Saviour.

I would like to take a minute and ask for special prayer for the people here in the Philippines. The current situation has increased the cost of living around the world, but for whatever reason, the Philippines is being hit extremely hard. The cost of fuel has gone up about 125 percent, with more price hikes expected. My heart grieves for our people when I drive by the gas stations and see the prices. The economists here are predicting a major slowdown in the economy and more than 10 percent inflation. But we know God's grace is sufficient, and in spite of it all, our offerings are good, and we will increase our Faith Promise Pledges this week. I am humbled by the faith of our people. I am always reminded of those Macedonian Christians who gave beyond their power.

Our hearts are filled with gratitude for your sacrificial giving toward us. We will be cheering when God gives the rewards in heaven. Thank you!

It's a great time to be alive.
