

The Hannels to the Bus Ministry Keep the Buses Going

March 2026 Update

Dear Prayer Supporters,

Tennessee Churches: We were able to present our ministry in a couple of nearby churches in the month of March. First, I was able to teach Sunday school with the puppet Buddy and preach the morning service at **Cedar Ridge Baptist Church** in Halls, and Laretta sang during the evening service. We enjoyed the home-cooked food and fellowship with Pastor Brannon and the church family. Next, we had opportunity to visit **Living Waters Baptist Church** in Lancing. I preached, and Laretta sang during an evening service. It was a blessing to be near home for a little while.

Richmond, Virginia, Missions Conference: God allowed me to be a part of many things at **Community Baptist Church** in Richmond. Preaching at the men's mission house, working on two buses, teaching with puppets and balloon animals, and getting to work with the children are just some of the things I was able to do. During my time there, I got a badly blown tire on my car, and God provided two new tires through Community Baptist. Praise God!

Our Miracle Van and an Amazing Missions Conference: God did a great work during our time at **Cornerstone Baptist Temple** in Dayton, Ohio. Pastor Siler and the folks there were such an encouragement to our family. Their hospitality was unmatched. We were excited to meet the students at their school, work on their buses, and eat at their large International Banquet! But God also did a wonderful miracle while we were there. Our family car had been having transmission issues to the point that it was starting to break down repeatedly. Many people helped us pray our car to the meeting, and it made it to Ohio, but finally died at the end of our time there. God miraculously provided us a 15-passenger van through the church, and we are overflowing with gratitude for this answer to prayer. It is thrilling to see God come through in our time of need. Thank you for praying with us!

Sweet Visits in Texas and Arkansas: Our family loved meeting the sweet, hardworking people of **Texas Baptist Church**. They had a big bus project that I was able to finish with Freddy from the church, and their love offering to our children warmed our hearts. I taught Sunday school with Buddy again and preached. Laretta was able to help with piano music for one of the services as well as at **Victory Baptist Church** in Arkansas, where we just stopped in on our way home. It was a blessing to drop in and be a help with the children's program and balloon animals too!
