

May 2026

I am encouraged to see so much attention and focus on church planting. There are more resources, finances, and churches willing to assist with church planting than ever before. Recently, I have had the privilege to speak at several church planting conferences, seminars, and colleges to encourage churches to reproduce churches. I recently spoke at Pensacola Christian College in chapel and taught the Church Planting Seminar class. It was a blessing to be back on campus and to see so much potential in the student body. Please pray for more men to surrender to the Lord and for many to be led to plant churches.

If you are in the Pennsylvania area, I would invite you to attend the first **“Keystone Baptist Church Planting Conference” May 18-19**. This will be a great meeting to instruct and encourage church planting around the Pennsylvania area. More info can be found at **PA4Christ.org**.

As I travel and promote the need for church planting, would you join me in praying for men to surrender to being used of God to pastor and pioneer new works? Pray also for laborers to be used, however they can, to further the cause of Christ in assisting the new church plants.

Thank you for your investment in BCPM! May the Lord bless your involvement and desire to help churches reproduce churches.

For a recent video update on BCPM got to <https://bit.ly/BCPM>.
