Dear Church,

As we end our fourth month of deputation, we continue to see so many blessings from our great God.

We started the month of March with six churches in Wisconsin. Unfortunately, due to a massive snow storm, we had to cancel a meeting with a church in which we hope to reschedule. We then had the great honor of attending the missions conference at the church I was raised in. What a privilege it was to share what God has done and is doing. The Lord answered our prayer by providing a last minute missions conference in Missouri right before Easter. We were so thankful to get to enjoy being home for Easter Sunday in Burlington, IA.

Following Easter, we went to the northern part of Ohio for two missions conferences. We finished the month of April at a church a few hours north of our home in Iowa.

We've enjoyed going soul-winning at several churches along the way! After our Easter service, I had the privilege of leading a teenage boy to the Lord! At a church in Akron, I was able to see a couple of visitors come on the bus, and Rosalie was able to see a lady saved while doing a Bible handout!

For the month of May, we will be staying within three hours of home as we approach our baby's due date. The month of June is open as we plan to welcome our Baby Boy. Sorry, we still do not have a name for him.

Praise the Lord, we have had 10 churches already vote to take us on for monthly support, and we have had four other churches mention they want to take us on and are praying about it! That brings us to 14% monthly support already coming in! What a blessing!

Thank you for your continued prayer support! We greatly need and appreciate it!

Our Prayer Requests:

1. Traveling Safety
2. Good Health
3. Rosalie and our baby boy due June 9
