

ABRAM GOMEZ

April 2026

Last month, God spared my life in a devastating car wreck. A friend and I were driving across the country to one of my meetings; and, at this particular hour, I was sleeping, and he was driving. At 6:30 a.m., my Tacoma slid on some black ice and lost control on the Wyoming highway. I woke up to a crash as we broke through a guardrail and tumbled three or four times off a small hill. My truck was completely totaled, but thankfully, our lives were spared. We walked away with cuts and bruises, stranded in the middle of Gillette, Wyoming, not knowing what to do. My friend would eventually fly home, but I spent hours trying to figure out how I would get to my next meeting. I considered every possible solution imaginable, but nothing seemed to work. I prayed, trusting God would provide something, and He did; the very last inquiry available online for a used car worked out! God provided a 2009 Toyota Prius that ran well but had some problems. These problems caught up to me in Mesa, Arizona, where it was practically undrivable, but once again, God provided a way. The good people of Valley Baptist Church took up a love offering that took care of all of the urgent repairs, and as of now, the car is great! Praise God, and thank you, Pastor Cowling!

Another Blessing

Last month, I announced that I would be raising \$500 to supply a need for a woman and family I had led to the Lord in Ghana. I thank God for the people of Crossroads Baptist Church in Hemet, California, for contributing toward this need. Since then, Georgina has already started earning income for her family. We believe that this will strengthen this family's faith in Christ and encourage them to cleave to the Lord and keep trusting in Him.

Other Recent Highlights

- Assembling Bibles in Hartshorn, Missouri, with my friend Miles Wallace (Midwest Seedline)
- Being encouraged at Servants' Conference in Hammond, Indiana
- Seeing two souls saved after preaching in St. Clair, Missouri
- Having four more churches take me on for support!

I am understanding more and more that the ministry of deputation is a ministry of encouraging pastors, their members, and lost souls in their communities. I am learning much about leadership, character, and personal responsibility from the great men of God I've been able to minister to. Please pray that God would continue to empower me to be a blessing to the pastors and churches I visit, as well as meet my goal of full monthly support by the end of September so I can leave in October. Pray for traveling mercies, for souls to be led to Christ on my travels, and for 100% support by September. I am so thankful for my financial supporters and prayer partners. I love you all!

For the sake of the Gospel,

Abram Gomez
