 Our daughter churches and our church here in Kumasi desire to do more for the Gospel!

Dear Friend of Team Ghana:

Thank you for your prayers and support for the work in West Africa. This month, we would like to share with you this update about the ministry of . . .

Pastor Otchere Boachie – Fundamental Baptist Church of Offinso

Background: Before **Pastor Otchere Boachie** believed in Christ as his Saviour, he was a member of a Presbyterian church, but he had a zeal to preach the Gospel. However, he was preaching salvation by works. Then in September 2011, he visited our church for a Wednesday evening service, where he heard the Gospel and was saved. We praise God for that! He immediately started preaching salvation by grace through faith in Christ alone! Soon after trusting Christ, he enrolled in our Bible college and completed his bachelor’s degree in February 2018.

Family: On June 5, 2020, he married Mercy, and they have three children – Blessing, Philemon, and Phebe.

Ministry: From May 2021 to September 2022, Pastor Otchere served at our daughter church in Kunsu, Ghana; he became the pastor there after the passing of our graduate, Pastor James Adjabeng. In September 2022, he helped revive a work in Foase, Ghana; that church is now

pastored by our graduate, Pastor Gyasi Boateng. In 2023, Pastor Otchere started **Fundamental Baptist Church of Offinso**, where he currently pastors. As of this month, this church is averaging 40 in attendance.

Recent Testimony: Pastor Otchere led the family pictured below to Christ. The children started attending faithfully, and the mother Sarpomaa visited the church on Easter. Janet, the eldest child, has even joined the Junior Choir. Pastor Otchere asks that we pray for Janet to grow in the knowledge of our Lord Jesus Christ. Pray also for Sarpomaa to start attending regularly.

Prayer Requests: Please pray for their outreach through village evangelism, school preaching, Bible Clubs, and one-on-one soul winning. Pray that the Word of God would have free course and be glorified through this church!

Thank you for supporting our church-planting efforts through your prayers or financial support for Adopt-A-Village (#6150), Team Ghana (#6100), Ghana Special Projects (#6180) or for specific national pastors. Thank you!
