

ZACH JR. & CASSANDRA FOUST

May 2026

Dear Supporting Churches and Praying Friends,

The month of April came with the many blessings of people in our church making big decisions for Christ. The month kicked off with an exciting Resurrection Sunday service at our church. We had a big day, with over 240 in attendance and many visitors. The morning service included a pancake breakfast, which the ladies of our church prepared. An adult visitor named Javier was led to Christ by one of our church men after the service. His family had been praying for him to come for some time. He then made the decision to be baptized, and I was able to baptize him on April 26 for our Baptism Sunday. I was able to lead another man named Ismael to the Lord, along with his wife. We have since started going through discipleship together, and he also got baptized on April 26. I have been able to start discipleship this month with two other men as well. Both are young Christians but have a desire to serve the Lord.

In April, we also started a new semester of Bible institute, which is held at my parents' church. We have just under 50 students enrolled. This year, we have new students signed up from our church. Cassandra and I both get to teach. One of the men from our church, who graduated a couple of years ago, is now helping to teach a class.

On the last Sunday of April, we had our Baptism Sunday, which saw several people follow the Lord in baptism. I was able to lead two young men to the Lord who live on my wife's route just a few blocks in front of the church. Both were baptized on that Sunday. A lady named Gabby, who had a sweet testimony, was also baptized. She'd only been coming to church for a few months and only on Sunday mornings. She has two young daughters she brings with her. She had come to church one time years ago, back when my dad was pastor here. A while ago, one of our church ladies was out inviting people to church, knocked on Gabby's door, and invited her again. She has now been coming again on Sundays. She asked me after a Sunday morning service if she, too, could be baptized. One of the ladies in our church had led her to Christ. She was baptized as well that Sunday!

The last week of April, we flew to Pucallpa, Peru, in the Amazon jungle. There we helped Rollin Bardales, a national pastor who is sent out from our church, with the inauguration of their new church. We brought people from 3 different churches in Lima to help with their first week. Much construction was done, including building a platform, running wiring and electricity, pouring cement, and extending their roof. On that first Sunday, they had over 150 in attendance, with many saved. I had the privilege of baptizing 4 people as well. Their church is off to a great start. Please continue to pray for them. They would like to purchase a building, as they are currently renting. They are in need of chairs, walls, and much more. If there is anyone who would like to donate to that cause, please feel free to reach out.

Thank you all for your prayers and support for us here in Peru! We look forward to updating you all again soon with what the Lord is doing here.

God bless you all,

Zach and Cassandra Foust

We had a great day on Easter Sunday!

Javier is being baptized!

I am baptizing a new convert in Pucallpa.

I had the opportunity to present Pastor Rollin with a new study Bible as a gift and introduce him as pastor of the church.

My dad and I made the new platform for the church in Pucallpa.
