

# The Hannels to the Bus Ministry Keep the Buses **Going**

April/May 2026

Dear Prayer Supporters,

**Ohio:** I was able to help **Cornerstone Baptist Temple** with getting their buses in order for inspection. All the buses passed the inspection and are being used for the glory of the Lord!

**Mt. Morris, New York:** We enjoyed traveling to the small town of Mt. Morris, New York. It was a joy to meet the people at **Village Baptist Church** and others as we got to explore their town. I looked at their church bus and found a few issues, as well as on their van that wasn't running. There was an electrical issue that I was able to resolve. It was wonderful to have time to relax and see some of the neat sights in the area with Lauretta's parents as well.

**Alabama and Tennessee:** In Alabama, I helped **Grace Baptist Church** with fiberglass work and redid the front and rear suspension on their bus. I was able to lead a girl named Michaela to the Lord at the hardware store! In Memphis, I worked on four different buses, including ignition issues, and had an opportunity to present our ministry as well at **Calvary Baptist Church**.

**Our "Fleet" Is Growing:** We are excited to share with you that we are expecting our fifth baby in December! Lauretta has been sick, so please pray that she will start to feel well enough to travel to some of our meetings. We appreciate your prayers, as she is also helping the children finish their homeschool year in the next few weeks.

**California:** God gave me the opportunity to teach multiple times at soul-winning meetings and in a seminar setting, preach to the children, knock over 600 doors, work on many vehicles, and see 11 souls saved during my visit to **Lighthouse Baptist Church** in LaVerne! God blessed my time there.

**Bus Update:** We have found someone who can draw up blueprints and do the entire bus build for us, but it comes at a cost that we cannot afford. We desire to travel as a family more, and having our home on the road would make it much easier. Please pray that God would provide a temporary RV and/or provision for our bus, whether we have someone build it or do it ourselves. The total cost is between \$70,000 and \$100,000. Please pray for this financial need.

**Praise Report:**

- Saved – 23
- Buses fixed – 11

**Prayer Requests:**

- Salvation of Daisy and spiritual growth of Enoch, Alice, and Reese
- Health of Lauretta and Baby
- Financial provision for RV
- Safety in travel
- Bus work in Wisconsin and NBT week in North Carolina

**Keep the Buses Going,**
