

July / August 2026

BCPM will celebrate its thirty-third anniversary on August 1, and It is amazing to see how the Lord has blessed over the years. We are so thankful for how the Lord has worked through local churches to reproduce hundreds of other ministries. Below are some BCPM statistics:

- 206 churches have been reproduced
- 92% of the 206 church plants are still in existence (99% of the churches reproduced in the last ten years are still in existence)
- These new churches give over 4.5 million dollars to missions every year
- Over 2600 souls are saved in these new works every year
- Over 1.7 million homes are reached every year through these ministries
- BCPM has help reproduce churches in America and thirteen foreign countries

Current Praises

- For safety while traveling
- For the health of five new church plants that were started in the last eight months. These were in California, Australia, Pennsylvania, Ohio, and Montana
- For a great staff that continues to help handle the load of the ministry
- For our son Caleb who was in a car accident several months ago. He is all healed and doing much better
- For my wife, Teresa, and me celebrating our 31st anniversary

Current Prayer Requests

- For all the preparations for upcoming church plants in Pennsylvania, Ohio, Texas, Alabama, American Samoa Islands, and South Carolina
- For safety in the extensive traveling (over 40,000 miles this year)
- Health for our daughter-in-law as she is expecting our second grandchild in December

Thank you for your eternal investment in BCPM! May the Lord bless your involvement and desire to help churches reproduce churches.
