The CHRISTIANSENS to Nigeria

May 2026

Dear Praying Friends,

The past few months have certainly been a reminder of how our family is advancing. Both of our daughters have recently had their birthdays in the past few months (six and four). This week, we just received many of your birthday cards for them in the mail, which I know were sent several months in advance. We even received a few Christmas cards at the same time. Thank you to everyone who has taken the time and expense to mail us cards and stickers. We always appreciate them, even when Nigeria delivers them a few months late. Ryan has also started crawling and dismantling everything in his path—nothing in the house is safe. 😊

We held our Police Appreciation Sunday with nearly 100 visiting police officers from our area. The church worked hard, inviting friends and visiting police stations to invite officers for this special day. It is amazing to see this annual service grow year after year, as we get to share the Gospel with everyone in attendance. During a follow-up visit with a visiting officer named Bulus, I led both him and his wife Charity to Christ. They were accustomed to the common message preached in most churches here, that one must do something to earn Heaven. At their home, I walked them through the Scriptures, showing them that salvation is a free gift, and they gladly accepted Christ. Please pray that the Lord will continue to bring fruit from this big outreach day.

With just one Sunday in between, we then had Truth Baptist Church's 20th Anniversary Service. It was such an encouraging Sunday reviewing all that God had done in the past 20 years. I have only been a part of the church for the past 5 years, and I heard testimonies from our people of all that God had done—things I had never heard before. It was wonderful seeing the people who have been part of the church from the first Sunday praising God alongside the people who have only been saved a short time. It was truly an encouraging service.

Please pray for the situation surrounding the house we are looking to buy. The owner has continued to come up with excuses to delay the sale. We honestly don't know why he is delaying, but please pray that we will be able to make the purchase and begin the necessary repairs very soon.

As always, thank you all so much for your faithful prayers and support. I know that many of you are facing financial difficulties yourselves. We never take it for granted that you still faithfully send us support so that we can continue to preach the Gospel here in Nigeria.

That all the world may know,

Caleb Christiansen
