ZACH, ROSALIE, LEAHNA, & EMALYNE

Dear Church,

Thank you for your continued prayers for our travels and for Rosalie's pregnancy. We are excited to announce the birth of Isaiah Matthew! His name carries deep meaning: Isaiah means *"God is Salvation"* and Matthew means *"Gift of God."* (If you would like a digital copy of this photo, please let me know and I will email it to you.)

As we prepare for our ministry in Nepal, we want our family to be a testament to a God of love and salvation—one who offers eternal life as a free gift through faith in Jesus Christ, rather than through works. This truth stands in powerful contrast to the teachings of Hinduism.

We spent the month of May staying local to ensure Rosalie and Isaiah remained healthy. Praise God, there were no emergencies which enabled us to attend a missions conference and present at several churches. During our extended time at home, we are working to downsize and prepare a few things for our eventual move to Nepal.

So far this year, we have participated in 7 missions conferences and presented our ministry in 26 churches. Nine of those churches have officially committed to monthly support, bringing us to 14% of our goal. We pray that others will eventually be able to take us on as well. Ten of the twenty meetings scheduled for the remainder of the year are missions conferences and we hope to add a few more meetings to our schedule in November.

Please pray for wisdom regarding a recent change in a Nepalese law requiring churches to own property rather than rent land. This significantly increases costs, as a small 350-square-foot property now costs as much as \$350,000 USD. Please pray for us that we will reach 50% support by the end of 2026 so we can transition to Nepal by Spring of 2028.

Thank you for your vital prayer support. It is greatly needed and appreciated!

Our Prayer Requests:

1. Continued healing for Rosalie and health for Isaiah.
2. General health for our family.
3. Traveling safety as I travel to various meetings alone.
