Greetings to All,

We are thankful for your continued love, prayers and support. We have greatly enjoyed our time with Samuel as we prepare for our next steps. Samuel has remained diligent in his studies. In the will of the Lord we will travel to Amano Christian School (CMML) on August 10th for an interview and testing. Pray for God's way, will, and wisdom as we seek to place Samuel at Social Welfares request. Please continue to pray for the Adoption process, the Head Officer expressed it is the first adoption ever attempted in Senanga. Pray for all to be done decently and in order and that God's purposes will be carried out. We are thankful for the Homeschool experience through Samuel's fourth grade. We are thankful that he was able to perform at the top of his class at his former school. We have a bond with Samuel that has helped us through the joys and trials.

We are thankful also that the Lord through your prayers and care has helped us pay for the first three doses for six individuals who were bit by a rabid dog. We have been working with Social Welfare to have it bought and transported seven kilometers to a clinic where they are quaritined. Please pray and consider assisting with the last two doses of \$110.00 each (\$220.00 total).

We are thankful that brethren have assisted in our travel expenses and miscellaneous cost for lodging, two bus trips, food, etc .. We are confident that the Lord will continue to keep us through your prayer and care. We lay everything down at our Saviors feet. Seeking God's purpose, provision, and placement for Samuel.

The Lord knows the way through the wilderness. We are thankful for the potentially answered prayers in finding brethren to fellowship with. There is a brother in the Lord that is a Magistrate from Lusaka that was transferred to Mongu. Mongu is one hour and half a way. We were given permission from Social Welfare to go to Mongu to fellowship. Please pray as we have communicated with this brother a few times.

God Bless all, prayers for both the joys, challenges, and sorrows you may be going through. So thankful for those of you who occasionally meet with us through Face Time Messenger and Whatsapp, it is a great encourager for us.
