...to turn them from darkness to light, and from the power of Satan unto God...Acts 26:18b

Dear Praying Friends,

April – June 2026

It is hard to believe that we are already halfway through the year! The Lord has been steadily growing both our church plants in this area, and between the two, we are averaging about 260 people every Sunday. Hardly a week goes by that we don't have a visitor, have someone trust Christ as their Saviour, or have someone get baptized, and often we see all three. God is so good.

Bible English Camp: April started off with a bang, as we held our annual BEC during our "summer" school break. This year, our theme was "God's Superheroes." We had 67 kids with 29 workers! One of the neatest things this year was that at least 10 of our workers were teenagers who used to attend BEC as kids. Praise the Lord, they have a desire to serve Him still. We are continuing to see fruit that remains from this outreach this year. One family in particular—a grandma, aunt, and two granddaughters—was reached through the camp. May, aged 12, got saved during camp and since then has attended church faithfully with her family. The grandma and aunt have also been saved, and all three of them got baptized together! Just last week during our Thursday visitation, Bro. Chad Inman and Jack met the father of one of the boys who came to camp and has since started attending church faithfully. His father said that ever since then, his son has been coming home on Sundays and sharing Bible verses with him. The guys were able to share the Gospel with this father, and he got saved! Please pray that he will come to church. Click here to see more pictures and a video recap of Bible English Camp: https://www.facebook.com/share/v/19Jj1sNfYk/

Teen Girls' Afternoon Program: We started a teen girls' Sunday afternoon program during the school break. The catalyst for the timing of this ministry was Harmony Inman's desire to make a difference in the lives of the teen girls at the church with the short amount of time she has left serving here with her parents before she returns to the States for Bible college. Sarah Inman, Katie Belle Bosje, and I have so enjoyed facilitating this ministry for the past few months, and we have seen the girls grow in their walk with the Lord even in that short amount of time, as we have focused on teaching them not only practical life skills but also lessons from the Bible. We've used part of the time to practice special music for church, and we have a time of sharing thoughts and feelings and prayer requests, as well. We gave the girls an opportunity to earn points in order to use them to "buy" a nice, modest athletic outfit they've been able to use for the recent Youth Camp and other teen activities. The girls received points for daily Bible reading, church attendance, soul winning/handing out tracts, coming to the afternoon program, and memorizing Scripture, amongst other things. Please pray that the Lord will use these special times to grow us all.

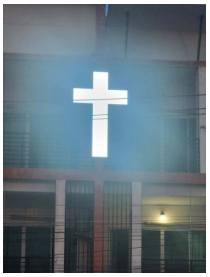
...to turn them from darkness to light, and from the power of Satan unto God...Acts 26:18b

My Parents' Visit: My parents were able to visit for 4 weeks during May and June. It was so lovely since we hadn't seen them for 2½ years. It was a blessing for my dad to be able to baptize Evelyse the first Sunday they were here. While they were here, my dad preached at both of our church plants in this area, and my mother spoke to our teen girls one Sunday afternoon, as well as made some soul-winning visits with me. She and I and Evelyse were able to sing a special in church, and they were able to attend one of our Senior Saints activities. It was a lovely time of relaxing and playing games and just spending time together. A couple of days before they left, we were able to celebrate their 58th wedding anniversary. What a blessing it is to have parents who are still so in love with each other and the Lord and continue to use their lives daily to serve Him.

Soul-Winning: The Lord has given a great harvest of souls over the past few months. We are blessed to have faithful staff members and church family who not only come to our regularly scheduled church soul winning and visitation, but who also take every opportunity to give the Gospel throughout their day as the Lord leads. Here are just a few pictures of ones who've recently been saved and then two stories that will hopefully be a blessing to your heart.

We recently had a lighted cross installed on the third floor of our church in Hua Hin. It is our hope that it will not only let people know there is a church here in their area, but that it will draw people to desire to know Christ and what the cross stands for. After the three technicians installed the cross, Sangad, one of our staff men who oversaw the project, took the opportunity to explain to the men what the cross represented and what it could mean to them. We praise the Lord that all three of them trusted Christ as their Saviour.



Oot and Oun (the lady holding the towel) are one of our faithful couples. They own a building that is being rented out by a lady named Sara, who runs a successful hair and nail salon business. Their one requirement was that Sara didn't bring any idols into the building or put any Buddhist markings on the doors or walls. In time Oot and Oun were able to witness to Sara, and she trusted Christ as her Saviour. A few weeks ago, Sara asked them to come to her salon and say a quick prayer of blessing over her business. She had all ten of her staff lined up ready to take part. In the end, the Lord kept the customers away, and for an hour, Oot and Oun were able to sing songs of praise to the Lord and share the Gospel with Sara's staff. Several of the ladies were saved. This past Sunday, two of them, Dtem and Yuwadee, came to church and were baptized. Dtem had already read the John/Romans she was given by Oot and Oun, and both ladies were so excited to each receive a whole Bible for themselves. After the service, I had the chance to speak to both of the ladies for quite a bit. Dtem expressed an interest in going through our discipleship course. We will start that this week. Please pray for new converts, for our converts to desire to know Christ more, and for more laborers in the field.

Serving the Master joyfully,
Shari & Evelyse
Ps. 16:11
