MISSIONARIES TO BRAZIL

Dear Praying and Supporting Partners,

Ministry Update

How is it possible that this year is already half done? Time does indeed fly by. We pray that you are all safe and staying cool in these hot months. We praise God for 250 years of freedom to worship and serve Him in this great country. We also pray that our country will turn back to Him in the hearts and lives of her citizens.

This quarter has had us in Florida, Mississippi, and Georgia. I had the privilege of presenting our ministry in ASL at Randy Dignan's church. Even though ASL is not the language of the deaf in Brazil, it was good practice speaking with my hands.

God also gave me the wonderful opportunities to teach children's classes at various missions conferences, and play the handbells with my former director.

Family Update

I dropped Becka and James off at her mom's house for most of this quarter due to it being her last trimester. It would have been unsafe for her to continue traveling full time. She and baby are healthy and continue to receive good reports from the midwife. I have been traveling alone, and will come off the road the second week of July for baby's arrival.

July will also be the month I work on getting all of our paperwork in order to leave for the field in October. October will be here before we know it; please, pray for the paperwork to come through without delay.

Prayer Requests

- Souls to be saved
- Legal paperwork to come through for us to leave in October
- Safety in travel
- Safe delivery of Baby #2
