

Dear Friends,

Thank you for your prayer and financial support! The Marshall Minutes would not be possible without individuals and churches like you!

The Spouse Appreciation Dinner was a great time with several new families attending. A couple of the families in attendance have already moved to their new duty station. It is always hard to say good-bye to our friends. It is also exciting to see the growth in the families and pray that they will continue on in their spiritual journey.

Our VBS will be held June 22—26, 2026. Please pray for this week for many children and teens to attend and decisions to be made.

God continues to change hearts and lives and the latest change occurred on May 2, 2026, when Leo Mosier and I were married. The Lord blessed us with a beautiful day, priceless friends and precious family members as a part of our wedding ceremony.

Leo is a retired pastor and Vietnam veteran. He was recently appointed with AFBM and has joined our ministry family. He is excited about the opportunity to serve military families at Naval Station Great Lakes, Illinois.

Although we have known each other for more than fifty years, we reconnected a year ago after several years of widowhood. Since then, Leo has joined me in ministry opportunities, including speaking at the Spouse Appreciation Dinner. In another week, he will also be teaching in Vacation Bible School.

God has clearly been at work in both of our lives and has graciously brought us together. We are excited about the future and the doors He is opening for ministry to our military community.

In Christ,
Rosalie
