

The Belcher Family Missionaries to GUAM

Hafa Adai, Praying Friends!

It sure has been an exciting summer, and we have so much to rejoice about! The Lord has truly been at work here on Guam, and we are grateful for your faithful prayers and support.

May

May began with an exciting Bible Club in the village of Yona. While inviting children and their parents, we met a man named Keith and invited him to attend. He came to Bible Club, and after the service I had the opportunity to spend some time talking with him. He shared that he had been involved in a lot of sin and wanted to know how he could find freedom. What a joy it was to share the Gospel with him! Keith trusted Christ as his Savior that evening. Praise the Lord!

The following week, my wife hosted a Mother's Day brunch for the ladies of our church. We were blessed with a wonderful turnout as twelve ladies attended. The next day in church, we honored all of our mothers by presenting each of them with a special gift after the service.

Later in the month, we held our Memorial Day Fellowship Service. It was a meaningful time to remember the men and women who gave their lives in service to our country and to thank God for the freedoms we enjoy.

June

June began with the celebration of our **8th wedding anniversary**! It is such a blessing to serve the Lord on the mission field alongside my wonderful wife and our family.

Later in the month, we celebrated several of our church teens graduating from high school. We are incredibly proud of them and

are excited to see what God has in store for their lives.

One of the highlights of the month was our first combined Vacation Bible School with **Bethel Baptist Church**, pastored by Steven Barnes. We were able to bring ten children from our church each evening. On the final night, the Lord allowed me to lead six of those children to Christ. What an incredible blessing! Praise God!

July

We had planned a church barbecue and an **America 250** service for July 5th. However, that same weekend Super Typhoon Bavi struck Guam. We are thankful to report that the island was largely spared, and no lives were lost. Our biggest inconvenience was being without electricity for about a week.

Once things returned to normal, my wife hosted another ladies' meeting at our church. This time, not only did the ladies from our church attend, but women from two other churches joined us as well. It was a wonderful time of fellowship and encouragement.

During July, an Airman named Eli began attending our services. Although he was only stationed on Guam for about a month, we had the privilege of going soul winning together and seeing **three people trust Christ as their Savior**.

We closed out the month with our monthly Fellowship Service, where we welcomed a first-time visitor named Mindy. Please pray for her. We had the opportunity to share the Gospel with her after the service. While she did not make a decision to trust Christ, she planned to return at the beginning of August.

Prayer Requests

Thank you again for your faithful prayers and financial support. We truly could not do what God has called us to do here without your partnership.

Please pray specifically for a special opportunity before us. **BEST Missions** is sending us nearly **400,000 John and Romans** in three different languages for distribution throughout Guam and the surrounding islands. Please pray that the shipment arrives safely and that God will use these Scriptures to reach many souls with the Gospel.

We are excited to see what the Lord will do throughout the remainder of the year. Thank you again for your love, prayers, and faithful support.

Si Yu'us Ma'åse'! (*Thank you in Chamorro.*)

For His Glory,

Thomas, Rebecca, Luke, Owen, and Iden Belcher
