Greetings and prayers for you all,

It is 3:15 am preparing for next leg of our journey, scheduled for a 4:00 am takeoff. Heading to Chingola for Samuel's interview and testing to determine if he is accepted at Amano. Appreciate your prayers and care for us. We seek to submit and commit Samuel to the Lord's mind and will. We are thankful for the time we had with Brethren Thursday for a Ministry meeting at Lusaka Gospel Hall. We are in prayer for Zambia's upcoming elections this Wednesday. We missed Saturday's prayer meeting at Lusaka due to a failed lock on our Guest House door. I (Brent) stayed behind and Sarah and Samuel eventually left to get our bus tickets while I stayed to hold down the fort with no lock. It was a long process we said our lock does not lock between 7:00 and 8:00 am , I talked to three different attendants who finally got to the room by 9ish. The desk attendant who finally came to the room found the latches locking mechanism was broke. He left and came back and put a new latch in by 11:35 am. We are thankful it wasn't anything more major than that.

Prayers for you all back home your continued prayers appreciated. God Bless!!!
