A Baptist Church Planting Ministry

AUGUST 2026

Evangelist Chris Dallas
Assistant Director

"Ponder the path of thy feet, and let all thy ways be established." Proverbs 4:26. As I often pondered the path of my feet as a young man, I never imagined those steps would eventually lead me into a full-time ministry for the Lord. But I am so thankful that I gave my heart to the Lord and allowed Him to direct and establish the path He would have me follow. Because of Him, I am blessed to be the director of the Ron Middleton Missions Outreach. What started as a burden from the Lord for lost souls has now been used to reach millions for Christ. God is so very good!!

I am incredibly thankful for the men that God has placed in my life since starting the Outreach in January 2020. One Missionary is Brother Aaron McCullough in the Congo. Through his efforts, we were able to build an orphanage to provide shelter and protection for children in need. This month, he sent us pictures (below) of the construction on the security wall, as well as photos of the men we support who are training to become pastors.

Through Bro. Rick Martin, we have connected with many great men who have graduated from the college and started their own churches. The reports he shares with us are always encouraging. For instance, Pastor Villanueva reported that his church has grown from 30 attendees to 60, while Pastor Melchor Herida celebrated an Anniversary Sunday with 180 first-time visitors. These stories clearly show that God is working and paving the way for even more souls to be saved.

Not only do we get great reports from other countries, but also from the churches we helped to plant here in America. I preached for Pastor Joel Beharry (pictured below) recently, and five people decided to accept Jesus! One thing I have definitely learned over these many years is that the Gospel still has the power to save.

This month, I also had the blessing of preaching at Blessed Redeemer Baptist Church, in Tennessee. I have attended church with the Assistant Pastor, Bro. CJ Riddle, for several years. God has called him to serve alongside the pastor there, and I was honored to have the opportunity to preach for them. We thank them for taking us on for support.

On the way home, my wife and I stopped at a small restaurant for a meal. While we were there, we met Howard and Cathy Peabody, from Charlotte, NC. They are a precious couple. After meeting with them, they have decided to work with the RMMO and Bro. Mark Holmes to make Nigeria the official site of the Peabody Home Orphanage. I truly believe God led our path to that little town just to meet with these wonderful folks who truly have a heart for the Lord and children who need a loving home.

Pray also for me as I will be traveling with a group outside of the country to preach at a Bible Conference. Our group will preach many messages to all different people from different areas. I feel so blessed to be included.

Please pray for all of the ministries we support. Pray for their needs to be met, their missions to grow, and for their paths to always lead to the spreading of the Gospel to those who are lost.

In Christ;

Bro. Craig Bryan
