THE BOSJES TO THAILAND

July - August 2026 Update

We have so much to thank God for! First, we thank Him for the newest member of our family. Hudson Mark Bosje was born on July 1, and we praise God for a healthy delivery. My brother and sister came to visit in the days following, and they were both a huge blessing while they were here!

In August, we had a mid-year program. Our theme was "Let's Go to Church," and it encouraged faithfulness to the house of God, as well as bringing others along. Over the 4 Sundays of the program, we had more than 70 first-time visitors attend church, with 7 receiving Christ as their Saviour and 6 getting baptized. On the final Sunday, we celebrated our church's 14th anniversary and had 217 in attendance. We praise God for the overall increase in attendance.

In early August, my wife's parents had the opportunity to come see the ministry here. I was so grateful that our church family got to meet them and hear my father-in-law preach. Mom and Dad Young are faithful Christian servants who love the Lord and have an incredible testimony as Godly parents. All seven of their children are serving the Lord in the ministry.

Several months ago, I wrote about a couple that had been attending church. The wife, Ploy, had been saved, but PK, her husband, had not. My father-in-law and I set up an appointment to go to their house one afternoon and give PK the Gospel. While there, he told us that trusting Christ was extremely difficult for him since he had been a Buddhist his entire life, but ever since attending church the first time, he hadn't been able to stop thinking about salvation. He had even prayed during an invitation but still hadn't received the gift of eternal life. Sitting at their kitchen table, I shared the Gospel with him one more time, and when I finished, he said he wanted to be saved. He then sincerely bowed his head and accepted Jesus Christ.

We are so grateful for your love and prayers!
