## Keep the Buses Going

**August 2026 Prayer Letter**

**Dear Friends,**

We wanted to share a quick update from August and ask for prayer for our busy months ahead! Thank you to each of you who consistently pray for our family and keep up with what God is doing through Keep the Buses Going!

**Maryland:** I traveled to Baltimore to help Granite Baptist Church fix the stairs, floor, and wheel wells on one of their buses. The bus was badly rusted, so I was able to weld in new steps and patch all of the areas to make it sturdy again. God blessed with wonderful helpers from the church to remove and insert the chairs again and put down plywood. We were excited to hear that the bus was filled up for Sunday! Pray for us, as we will be returning there shortly to do AC work on another bus.

**West Virginia:** We stopped in at Faith Baptist Church in Martinsburg to present our ministry. God blessed, and they voted to take us on for support that same evening! I was able to help with some inspections for the buses and help put a transfer case in a truck. We are looking forward to returning to help get the buses in order for their inspections.

**Baby Update:** We are very excited to share our baby's gender announcement with you! We are expecting another boy in December! His name is Felix Bruce. Thank you for praying for Lauretta with the challenges of traveling during pregnancy.

**Georgia:** Inspection of the buses, AC services, and door fixes filled my time at Calvary's Grace Baptist Church in Ailey. I was also privileged to do a bus seminar and see five saved in children's church!

**Help at Home:** I was able to help Valley View Baptist Church with inspecting their buses and finding a coolant leak, as well as a shut-off switch, to get the bus running. God allowed me to work on the AC on two of our own church buses too. Being able to help other friends with car issues has also been a blessing. Our pastor asked me to preach while he was out of town, and we were encouraged by our church family and the day spent with them.

**Praise Report:**
