Greetings to all,

We appreciate those who have occupied our journey in Zambia with us: Your prayers, your emotional, spiritual, and financial support since 2013 to the present has been appreciated exceedingly abundantly above all we could ask or think. You have made it possible for our outreach to continue in providing formula, food, supplies for hospital care, Gospel materials; bibles, tracts, Gospel papers, calendars items for outreach, busfare for all our travels, Samuel's being sponsored for past schooling. Our house rent and living expenses, plus, plus, plus.

We have now been given the privilege and responsibility of providing formula for five babies, which this past week changed to four babies sadly due to one's passing. We again by faith went ahead and purchased a month worth of formula wholesale through BaKenny a friend who has a shop in Senanga. Normally formula purchased from the shops ranges between 100 kwacha to 150 kwacha per tin (\$5.12 to \$7.68 per tin.) Average of eight tins per baby per month. We purchased forty-two tins for a savings each tin at 81 kwacha (\$4.14). Purchasing them ahead of time saves much , but we had to draw from our everyday living expenses.

Looking ahead we have been quite involved with the Mongu Gospel Hall. We are seeking the Lord's mind and direction in our ministering in Western Province. Have remained in Senanga a few Lord's Days due to expense. Your prayers appreciated for our relationship to continue to grow with our Brethren that we hear and heed what the Lord would have for us from this point forward. It generally cost 150 kwacha (\$7.68) per person in our taxi transport. A few weeks ago we took two guest (5x 120). The brethren from Mongu have expressed interest in visiting us in Senanga. A brother visited from Mongu just over a week ago. Some of you may know the loneliness of not having like minded brethren nearby. We are thankful and prayerful for the Lord's way forward.

Samuel's schooling is moving along in the homeschool arena like it had from infant to Fourth Grade. Samuel will be taking Seventh Grade exams in Northwestern in October prayers for funding for travel expenses and for Samuel to be fresh and ready to do well on exams. Then in November he retest to determine if he gets into Amano as an eighth grader. A potential court case regarding his former school wronging him is pending. Lord willing travelling to Mongu for remembering the Lord on Sunday and then on Monday we will see Child Protection Officer to discuss Samuel's potential testimony. Seeking the Lord's mind and will in all this.

Sarah has just today delivered PreNan formula for premature infants today, the nurses had three other empty cans so the Lord allowed the formula that our Brethren from Lusaka graciously gave us. It was to be in Senanga two days ago but got misplaced, thanking God it came right in time to feed the preemie's. So much going on in Maturity Ward, Sarah has been welcomed in, they disallow any visitors most of the time. Pray for the help Sarah is providing. We are buying small daily meat portions otherwise the patients only receive rice in the morning and mealie meal at lunch time. All three ciserian section mothers got stitched up one was released today. Sarah has been given daily protein by faith prayerfully the Lord lays on the hearts of our brethren to help in the above endeavors, God Bless!!!!

Knowing you all on the other side of the globe may be facing your own family trials and challenges. Prayers for the Wolfe family, may the Lord strengthen, encourage, and help in this challenging time. Prayers for FBC and the challenges, needs, desire, and direction the Lord is leading on behalf of both the shepherd (s) and the sheep. Prayers for my Mom and family back home.

"Looking unto Jesus the author and finisher of our faith (Hebrews 12:2)."

* Purchased ahead of time a month of formula.

*Gentleman pictured walks for two days to receive formula

*Madam from 45 kilometers away speaks strictly Lozie, Sydney translates, to share Gospel. Basically NICU in the maternity ward. (Thanks again for your help)
