

Hardie - 9/4/2026 (continued)

Greetings to all,

We are thankful for your continued prayers. We received word this late afternoon (Friday) that Amano would like Samuel to come in November to retest regarding eighth grade placement. It was down to the wire and we were seeking Samuel's placement for third term seventh grade, but the door remains open and we will see where the Lord takes us from here. We are satisfied after not hearing from them for over a week, thankful for our Social Welfare's support and assistance through letters they wrote and calls to this school. We look to the Lord's purpose and plans and that which takes place will be to Samuel's and God's purpose and will. The book comes to mind I read about thirty years ago. "Three Steps Forward Two Steps Back, By Charles Swindoll. May we continue to proceed forward though winds of resistance may come. Our faith must hold to the Rock, our Lord and Saviour Jesus Christ. We in the will of the Lord will go to Mongu Lord's Day to spend more time with our brethren. Thanks for your continued prayers regarding the three babies brought to our attention for feeding, God Bless

One of the Last times we met with Baby Ruth and Grandma. Still meet on Tuesday giving fifty kwacha assistance.
