"Go Ye Therefore, and Teach All Nations . . . ." Matthew 28:19

Dear Pastors, Churches, Families and Friends,

Hello everyone. We thank you and thank God for the opportunities to serve and see the blessings of growth here in Thailand! At the ***International Baptist Church of Nong Phlap***, many Thai, Karen, and Burmese attend and learn, with attendance recently exceeding 180 people on a Sunday morning. Every Wednesday night, I preach and teach the Bible through the discipleship program of *Teaching All Nations*. We are in Lesson #51, "The Commission to 'Go Forth.'" At the ***International Baptist Church of Hua Hin***, many Thai families and foreign expats attend, recently exceeding 200 souls on a Sunday morning. A four-week August program was implemented for Hua Hin. All of the staff have been invested into different projects and preparations for each week: Family Sunday, Mother's Sunday, Thai Culture Sunday, and Anniversary Sunday (14 years). ***Three new Sunday school classes*** were started: two for the teenagers and one class, which I am teaching, for the growing number of English-speaking adults attending the church. Multiple countries are represented with many backgrounds. The first 4 weeks of the class, we've already seen up to 18 in attendance, with the potential for many more. Hua Hin, being a growing expat area, needs a church that will go into all the world and teach all nations. With this unexpected and incredible door the Lord has opened, I ask for your prayers that more will come, be saved, grow, and become a brighter light in their families and areas of the world.

In July and August, I was busy ***covering the pulpit***, preaching and teaching a handful of the services at the IBC-Hua Hin church. Our family was also up north at the First Baptist Church of Nawong for two Sundays to cover for the Arold family, as they made a well-planned visit to the U.S.

Soul winning carries strong, as every week we have a least two to three organized gatherings for the purpose of giving the Gospel to those who cross our path. In the past two months, several new people have joined us in these soul-winning meetings, while many others are making plans to "Go Ye Therefore." Our family personally saw 36 souls place their faith and trust in our Saviour for salvation. One young man, Mach, after putting his faith in Christ, looked down at his Buddhist amulet, immediately putting it away, not wanting to be seen wearing it anymore.

We continue with the ***soccer ministry*** every week, where 20-25 young men join for prayer, soccer, and preaching. We recently began training three more young men to preach the truths of God's Word to their peers. This weekly event coincides with a semi-weekly afternoon program for the teen girls, of which Sarah and my girls are an active part. On August 15, a special youth activity took place at a mangrove forest involving both churches and 36 teens. Activities, games, contests, testimonies, songs, and preaching filled the afternoon and filled our young people with good Godliness. Please continue to pray for our teenagers as they grow in the Lord, many surrounded by the weeds and thorns of this world.

On August 12, Sarah and I celebrated our ***20th wedding anniversary***. Thank you for the kind notes and even remembering it was our anniversary, let alone, knowing it was 20 years. Good thing I remembered! Sarah and I spent time in Bangkok, leaving our three teenagers in the capable hands of Ms. Shari House. I thank the Lord for Sarah and how God put us together and keeps us together! Next year at this time, ***Harmony will be attending Bible college***. Exciting! Please pray for her and for us.

Thank you for serving our Lord, caring, praying, and sacrificing for missions, as God is working strongly in Thailand. May God bless you richly towards this summer's end.

Grateful to serve,
Bro. Chad Inman & Family
