August 2026

What a summer of blessings the Lord has given us! As we look back over the past several months, we are thankful for the many opportunities God has given us to preach the Gospel, work with young people, strengthen our churches and Bible Clubs, and see many people come to know Christ as their Saviour. Thank you for your faithful prayers and support that allow us to have a part in what God is doing here.

On March 6, we held a Youth Conference. We were thankful to have Pastor Joseph Brown of Marion Avenue Baptist Church and his children visit and take part in the conference. One of the highlights for me personally came while out soul winning and had the privilege of leading two young men to the Lord! It is always exciting to see God use a special event not only to encourage our own young people but also to reach others with the Gospel.

Just a few weeks later, we held our Teen Camp over Easter weekend. We had around 80 teenagers attend, including many from my English Sunday school class. Throughout the weekend, we had preaching, activities, competitions, and many opportunities to talk with the teenagers about spiritual things. I was especially encouraged by the great questions they asked and the discussions that followed. We ended the weekend with a large Easter Sunday service, with more than 200 attending that special English service! Everyone who came for the service was served breakfast, and all of the children enjoyed an Easter Egg Hunt!

In May, 8 of our Bible Clubs brought soccer teams together for a Soccer Bonanza Tournament. More than 200 young people attended. During the tournament, I preached a Gospel message about the most important question of all: "Which Team Are You On?" We praise the Lord that 17 trusted Christ as their Saviour!

The following Sunday was Jersey Sunday, and it was exciting to see our teenagers come to church wearing their team jerseys and taking part in the service. My own children looked adorable in their matching jerseys.

We held our annual Deaf Days in May. A deaf soccer team traveled from Dar es Salaam to join us for the weekend, and we enjoyed several special activities with the deaf ministry. On Sunday, a deaf choir sang through sign language, and we were also able to show the *Jesus Film* with subtitles. We are thankful that a young man named Derek in our church has recently been given a heart for this ministry. He translates the Sunday services while Pastor Jerry preaches. We are excited to see how the Lord will continue to use him in the future.

Earlier this year, I began praying specifically that God would allow us to see 100 children attend my Bible Club. God has answered that prayer beyond what I expected! Several times this year, the attendance has gone well above 100. I was also able to assist in starting 2 new Bible Clubs, bringing the total number of clubs to 14. Every one of these clubs represents another community where children are regularly hearing the Word of God! Kellie still faithfully prepares the lessons each and every week.

We held 2 Kids' Days this summer. During those 2 events, we saw a total of 58 children trust Christ as their Saviour!

On June 4, Kellie and I celebrated our 10th wedding anniversary! We were able to get away for a nice dinner together at a local restaurant up the mountain and enjoyed celebrating God's goodness to us through 10 years of marriage. We're thankful that the Wyatts offered to watch our children for us.

The following day, I had some work done on Kellie's car. While talking with Freddie, the man who was doing the work, the Lord gave me an opportunity to share the Gospel with him. I was thrilled when

Freddie trusted Christ as his Saviour! What started as a simple car repair became another reminder that God can give us opportunities to share the Gospel in the ordinary events of life.

In July, our church hosted its very first East Africa Pastors' and Workers' Conference. We were joined by two pastors from Kenya, our satellite church pastors, Bible college students, and Bro. Aaron McCullough from Mission Uttermost ministries in America. I had the privilege of teaching a session on the importance of children's ministries and games. We concluded the conference by going to Kingolwira for the first Village Crusade this year.

That crusade was shortly followed by a stretch of back-to-back Village Crusades in 3 different villages. Across those meetings, approximately 7,400 people heard the Gospel, and 1,356 made professions of faith in Christ! We praise the Lord for every person who served from our church, as well as the visitors from the U.S.!

The Sunday following the crusades, we held a special Soccer Sunday. Teams came to church and received a soccer ball and pump, giving us another opportunity to bring many first-time visitors under the sound of the Gospel. We praise the Lord that more than 216 people made professions of faith that Sunday!

As we look back over these months, we can only say, *"This is the LORD'S doing; it is marvellous in our eyes."* (Psalm 118:23) Please continue to pray for us as we serve God in Tanzania. In particular, we would appreciate your prayers for the many ministries and responsibilities here while the Wyatt family is in the United States on furlough. Pray that God will give wisdom, strength, and faithfulness as we help keep these ministries moving forward. We are very thankful to the Bolton family for helping us during the Wyatts' absence! Please also pray for my continued progress in Swahili. I recently passed 200 consecutive days of language study, and I am continuing to work toward greater fluency so that I can communicate the Gospel and teach God's Word more effectively.

Thank you for your faithful prayers and support of what God is doing here in Tanzania!

Your missionaries to Tanzania,

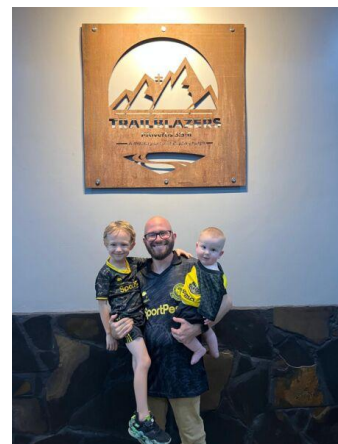

Montana, Kellie, Landon, and Adalynne Morrow

Praying During the First Village Crusade
