A Baptist Church Planting Ministry

SEPTEMBER 2026

Missionary Mark Holmes
Foreign Director

"He shall not be afraid of evil tidings: his heart is fixed, trusting in the LORD." Psalm 112:7. Trusting in the Lord is not always our immediate response when making decisions in serving the Lord. Often, we need to set aside our emotions and feelings and fully surrender to Jesus. Once we are truly willing to trust Him, He opens the door to His perfect will.

Being part of this ministry allows me to witness the many courageous individuals who have chosen to surrender everything to follow and trust the Lord. Many have answered the call to serve in dangerous countries and regions, all while trusting that God will be there for them. Faith may only be five little letters, but when our faith is placed in our wonderful Savior, it becomes immense!

The evil in the world can be frightening, even in an orphanage meant for safety. We're grateful that the Jeremy House has finished its security wall and that the home in Nigeria was repaired after a ceiling fell due to thieves. Aside from vandalism, health issues are a concern as well. Thankfully, four children at the home recovered from malaria and typhoid. One of the young ladies, Miss Bright, (picture below) was saved before her illness and was excited to be baptized after her recovery. It's inspiring to see her overcome all the hardships and trust the Lord through believer's baptism.

We are always excited to receive updates on how the RMMO has blessed new church plants, missionaries, and ministries. The Feeding Shepherds Ministry mentioned us in their prayer letter, expressing gratitude for our support and the two meat grinders we helped purchase. (pictured below) Bro. Collins stated, "Our prayer is that God will enable us to continue raising food as a blessing and encouragement to our local pastors."

Bro. Collins' church in Colorado sponsored a goat roping event at the county fair to spread the Gospel. (picture below) He noted, "Through the roping, the Gospel reached people who might not normally attend church." Another church asked them to repeat the event; this allowed them to spread the Gospel and distribute tracts and Bibles. If God can use goats, He can use anyone!

As the new school year begins, it's encouraging to see all the youth activities for the Lord. In Guam, Pastor Thomas Belcher and Pastor Stephen Barnes held a joint VBS, where six out of ten children accepted Jesus. In Mexico, Bro. Stephen Simmons participated in a Teen conference with 4,000 attendees. Reports from Nigeria, the Philippines, and Mexico highlight children's ministries focused on spreading the Gospel and providing discipleship programs.

I received an encouraging report from a pastor in the Congo whose church is thriving. However, please pray for three members who are suffering from Ebola.

Additionally, a pastor we support in Nigeria has a tumor and needs to pay for surgery upfront. We were blessed to send \$3,000 for his medical costs. We also sent \$2,000 to another pastor in Nigeria for vehicle repairs (picture below) Reliable transportation to deliver Bibles, pick up people for church, and spread the Gospel is crucial for ministry work in third-world countries. Here in America, we often take our easy access to vehicles for granted.

Traveling the country as I do, I can never let the fear of what lies ahead stop me from doing what the Lord has for my life. I will be going with a group to Egypt soon, holding a tent meeting in Arkadelphia, AK, and continuing to travel all around the U.S. carrying the same message everywhere I go "Jesus Saves"! Please keep me and the RMMO in your prayers!

In Christ;

Bro. Craig Bryan
