August 2026

Dear Friends:

There were many blessings in the month of August!

New Members: In March of 2025, the Lord allowed me to win a lady named **Yaa Frimpomaa** to Christ. Her son Gideon has come to our church several times. Before June of this year, Yaa had only come once or twice, but we kept visiting her on Saturdays. But then, at the end of June, she told us – “I am coming to your church.” She is coming faithfully and was baptized at the beginning of August. She joined our church this past Sunday. *(To the right is a picture of those who joined our church in August. Yaa is on the far right.)* I met Evan, another son of hers, this past Saturday. Please pray that we get the chance to share the Gospel with him.

Conference: Our ministry was so blessed to have **Pastor and Mrs. Wilkerson** of the First Baptist Church of Hammond visit with us for our **Pastors' and Workers' Conference**. Pastor Wilkerson has been with us several times now; this was his wife's first visit. We were privileged to share several meals in our home with them. The

conference went very well! We had over 800 on the first night of the conference and over 500 in the day sessions. Fifty-six different churches were represented. The theme was “Biblical Prosperity.” Over 50 attended my class in the afternoons on how to make a budget. Pastor Speer and Pastor Wilkerson taught in the mornings and preached in the evenings. A true blessing to me was to hear Joy, Faith, and Ben participate in the five-church orchestra that played our offertories each evening.

Another Broken Bone: In our June prayer letter, I reported that our family had its first broken bone – Faith's finger; I won four taxi drivers as a result of that accident. But then in August, Ben was playing in the house and broke his toe! Two more taxi drivers were saved as we made trips to and from the hospital. “Dear Lord, thank You that the Ghanaian people are so receptive to the Gospel, but please keep us safe!”

Prayer Requests: We also enjoyed a graduation party for Joy and her friend Freda. The testimonies during that time were sweet! Pray for these two young ladies as they pursue God's will for their lives. Pray for more soul winners in our Sunday school class and church. Pray for God to send our Bible college the right students. Pray for God to help our converts know His will and do it. Keep praying for us to get that radio frequency!

Thank you for your prayers and support!
