Dear Friend of Team Ghana:

National Pastor Spotlight

This month, we would like to share with you this update about the ministry of . . .

Pastor Gyasi Boateng – Fundamental Baptist Church of Foase

Background: On the evening of March 6, his birthday, **Gyasi Boateng** had returned from an evangelistic crusade conducted by an American missionary. (This was seven years before our team arrived.) That night in his bedroom, Gyasi accepted Christ as his personal Saviour. Years later, he heard that some other American missionaries had established a church near his home. Bro. Gyasi was baptized at our church and began attending faithfully. He enrolled in our Bible college in July 2007.

Family: On January 9, 2009, he and his wife Anita were married in our church. They now have six children – Janet, Joshua, Caleb, Nora, Nhyira, and Anointina.

Ministry: After Pastor Boateng graduated from our Bible college in 2011, he began pastoring a church, which was started from one of our church bus routes. He pastored that church in Asawase for 15 years. Asawase is a developed community in our city that has a large Muslim population. God used Pastor Boateng to reach many people there with the Gospel. Two years ago, Pastor Boateng believed it to be the Lord's will for his family to move to an area outside of Kumasi so that he could pastor the Fundamental Baptist Church of Foase. (Asawase is a bus route area for our church once again.) The Boateng's are thriving in this new location. *(Pictured above: Pastor Boateng takes advantage of the local information center to preach the Gospel to the Foase community.)*

Recent Testimonies: Mrs. Anita was the first to meet Dorcas *(in mint green in the picture on the right)*. When Pastor Boateng made a follow-up visit, Dorcas was watching a preacher on TV who was preaching salvation by good works, and Pastor Boateng asked her to turn off the TV. He shared the Gospel with her, and she got saved! She attended the Boatengs' church the following day and decided to join the church. Pastor Boateng told Dorcas about our TV program, and now she watches Pastor Speer on Lawson TV! Please pray for Dorcas to grow in her Christian life.

Lewis *(on left)* is a convert of Pastor Boateng's son Joshua. Lewis had learned how to win souls from Joshua. Recently, Lewis witnessed to some children, and they trusted Christ—and they came to church and brought some of their friends!

Prayer Requests: Pastor Boateng asks us to join him in prayer for more laborers. Also, his church does not have a washroom facility at the present time. Pastor Boateng estimates the cost of that to be about \$4,000; his church has raised almost \$550 of this. Please pray for the Boatengs and the Fundamental Baptist Church of Foase!
