Dear Praying Friends,

Tanzanian Stadium Crusade:

This year, instead of one location in a stadium, we took the crusade to the people. We held 4 "Village" Crusades. More than 7,400 people attended, and we praise the Lord that 1,356 trusted Christ as Saviour! Our three-wheeler sound truck worked wonderfully and was a great help throughout the outreach. It was used for advertising the events and was also the platform I used to preach from. We were also blessed to serve alongside a 19-member visiting team from all over the USA through Missions Uttermost. Please pray that those who were saved at these events will become established in our church and will continue to grow in their faith.

Soccer Sunday:

What a blessing it was to have 1,146 people in our services! Every seat on our property was used. During this special outreach, 216 people trusted Christ! We are thankful for another opportunity to use soccer as a tool to bring people to church and clearly share the Gospel with them. Again, please pray for lasting fruit in the lives of everyone who attended.

Maasai Sunday:

What a blessing it was to welcome 29 Maasai guests for a special Sunday at church. After the service, we enjoyed a wonderful time of fellowship and grilled goat. Please pray that God will continue opening doors for us to build relationships and share Christ with the Maasai people.

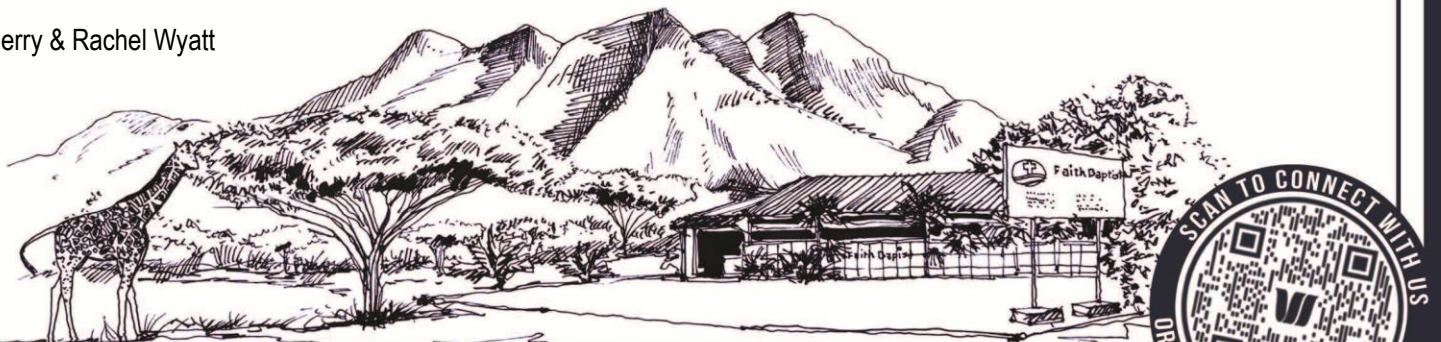

Furlough:

We are now back in the United States for our furlough. Please pray for safety as we travel to many of our supporting churches. Several of these churches we have never visited, although they have supported us for many years. We are excited for the opportunity to share what God is doing in Tanzania. Pray also that this will be a refreshing and productive time for our family.

Thank you for standing with us through your prayers and faithful support. We are grateful to partner with you in reaching Tanzania for Christ!
