

September 2026

Dear Pastors, Churches, and Praying Friends,

Time is flying! It seems each year goes by faster as we are busy with the Lord's work. We know our labor is not in vain in the Lord! Thank you so much to those who faithfully pray for us as we serve in Peru. We see God's hand and know that we have faithful prayer warriors. We often tell young missionaries of the importance of prayer support above all else.

Thank you for praying for the many events of the summer (U.S. summer, but winter for us!). We were pleased to host many visiting groups from the United States during the months of May through August. They came from churches in Georgia, Indiana, Iowa, and North Carolina. Other groups came from Florida and Arizona to visit Zach Jr. and Cassandra. Each group was such a blessing and encouragement to us, and we were able to hold many evangelistic services, Children's Clubs, water-treatment outreaches, Family Conferences, and other events while the groups were with us.

Many of you prayed for our Ladies' Conference. It was a great success, with nearly 200 ladies in attendance. What a wonderful blessing it was to hear from Mrs. Jessica Gomez and Mrs. Jenny Ashcraft. There was such a sweet spirit among the ladies, and many have continued to comment on all that they learned during the conference.

Team Peru has been busy! We love serving the Lord alongside missionaries Zach and Cassandra Foust, Peruvian nationals, and church volunteers in spreading the Gospel to all of Peru and South America. Since our last letter, Team Peru has hosted three Pastors' Schools in different areas of Peru: Las Vegas (near the Ecuadorian border), Cuzco, and Trujillo. What a privilege it is to travel to these areas and experience life in the more remote parts of Peru. We have a burden to encourage pastors in these areas and others, to see more churches planted, and to see pastors and workers take up the challenge to do more for Christ. We especially encourage the churches to be active in evangelism and discipleship, teaching these concepts and taking time to go soul winning with those attending the conference. Most of you receive the videos we publish after each conference, and we hope they are a blessing to you. Many are saved during these weeks of conference, and often people surrender to serve the Lord full time. Other decisions are made in evangelism and in their personal walk with Christ. Please continue to pray for these conferences; we need the power of the Holy Spirit to help make a difference around the country.

We are excited about the growth we see in our church here in Surco! In our last letter, we mentioned that we had bought new chairs and filled them all! Well, we bought more chairs and are seeing them being filled as well. We thank God for the growth that He has entrusted us with and pray that we would be faithful to lead them. Recently, we have had some families go through very difficult times with health issues and other problems, but we are thankful to see their faith grow despite these difficulties.

Our homeschool group is doing well. This school year, it is paying for itself and growing with more families understanding the need to train their children in a Christian atmosphere. We appreciate your prayers as we continue to develop a Godly curriculum, train teachers and workers, and teach the children God has entrusted to us.

Our institute just started a new semester. We were pleased to have several new students join us both in person (for those in Lima) and by way of Zoom (for those outside of the Lima area). We appreciate prayers for the training of these servants of Christ.

Thank you for all your prayers for us! We will be in the States for a brief furlough in the month of October and hope to see many of you as we travel. We would appreciate prayers for the ministry and leaders here as we travel and for safety and wisdom in our journey.

His for souls,

Zach and Karin Foust
