

Dear Friends,

Over the past few months, we have been constantly reminded of God's goodness. Our lives and ministry truly reflect the words of the Psalmist: "For thou, Lord, art good, and ready to forgive; and plenteous in mercy unto all them that call upon thee." (Psalms 86:5) The blessings of these past days would not be possible without your faithful prayers and commitment. Thank you for allowing us to represent you in military ministry!

Following a wonderful wedding on May 2 and a short honeymoon, we immediately jumped into preparing for VBS at the Forrestal Village Chapel at Great Lakes. It was a busy five days, but we praise the Lord for the fruit. While the numbers weren't record-breaking, we had an incredible week: 40 children registered, attendance grew daily, and 8 children made professions of salvation! Several parents shared how grateful they were for a safe place where their children were eager to learn and memorize the Bible. We even had over 50 parents and children attend our Friday night closing program. We stand amazed at God's goodness and the privilege of serving at Naval Station Great Lakes. This impact is the direct result of partners like you who invest your prayer, time, and financial support. One personal highlight for me was seeing a dear saint from Jordan—who has attended Rosalie's Bible Study for years—faithfully volunteering every day. It was also a special joy to see two of Rosalie's grandchildren helping out with the ministry.

In August, we gathered in Virginia with faithful friends and our Armed Forces Baptist Mission family. It was a refreshing time of fellowship, and we were deeply challenged by the urgency of our mission. With over 20,000 personnel stationed at Great Lakes, our hearts are burdened to share the Gospel on the base and in the surrounding community. We are reminded of Christ's words: "Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." (John 4:35)
