A Baptist Church Planting Ministry

SEPTEMBER 2026

Missionary Mark Holmes
Foreign Director

"Choose you this day whom ye will serve..." Joshua 24:5. A long time ago, I made the decision to serve the Lord and dedicate my life to spreading the Gospel around the world. What a wonderful God we serve! I am continually amazed that He uses ordinary people to achieve extraordinary things. It is a tremendous honor and privilege that we have in the ministry to start a church, share the Gospel, and disciple those who are saved and point those to Jesus who are not—all for His glory.

This month, the reports from the Jeremy House Orphanage in the Congo have deeply touched my heart. It is a blessing to receive pictures of children sitting on the first bed they have ever owned, eating food that they no longer have to beg for, and attending a classroom equipped with materials to aid their education. (pictures below)

Working together, we have built something that will impact not just the children living there currently, but generations to come. They are not only being educated academically but spiritually. They will be given the knowledge that they will never be alone or abandoned again. Jesus will always be there to take care of them.

Pastor Ramel Soto in the Philippines sent in a touching report of reaching an 84-year-old woman for the Lord. He said, "Nanay Aida, 84 years old and she is lonely to her house. What we did is renovate her house and give some rice and can goods for her food. I saw the faces of the members the happiness that they help somebody. Nanay Aida was very thankful to the Lord and to us because not only material food she had received but also Jesus Christ in her heart as her Lord and Savior." The English was not perfect, but the message of Jesus surely was!

We were glad to hear that the dedication service for the Neema ya Mungu Swahili New Testament went well. The translation is a significant blessing for the work of God in the Swahili-speaking regions of Africa. Please pray for their efforts as they diligently work on the translation of the Old Testament. Additionally, we are honored to support two new Pastors through Bro. Mickey. We look forward to hearing updates about their ministries and the progress of the Old Testament translation as the translation team works.

Exciting things have been happening here in America as well. Even though the devil fought hard to stop our tent meeting, we were able to march on and the Tent Revival in Arkadelphia was held as planned! This meeting was organized to support Pastor Daniel Miller, who recently started his church. Not only did we see seven individuals saved during the revival, but it also opened the door for visitors and new prospects for the church. (pictures below)

During my visit to Arkansas, I had the privilege of spending time with Pastor Jonathan Ellis in Mountain Home. He started the church in May of this year, and it is thriving! I thoroughly enjoyed preaching and fellowship with Pastor Ellis and his church family.

As I review the monthly reports, I am truly amazed by all that God is accomplishing through the Outreach. I want to personally thank each of you who choose to pray for and support our efforts. Every soul saved, church planted, and child cared for will be written on your Heavenly account. We could not do anything without the Lord, and we certainly couldn't do it without your support.

In Christ;

Bro. Craig Bryan
