October 2026

Dear Friends:

September marked the **18th anniversary of our arrival in Ghana** with our three-year-old son John. He is now in his senior year of Bible college; our three other children were born here. I thank God for His faithfulness! I thank the Lord for Maria! What a great lady! She is a wonderful wife and mother, a soul winner, and a Godly example for the ladies of our church. I thank God for Joy, Faith, and Ben who serve with us here. I thank God for Pastor Speer and the entire mission team with whom we serve. And I thank God for people like you who have stood with us through the years!

Ghanaians are so receptive to the Gospel! On a recent Friday night, Maria and I were out shopping. As Maria entered one of the stores, I handed a tract to a lady who was sitting near the entrance. She immediately started reading the tract. I went back to our vehicle for something, and the lady called out to me and said, "I am a Baptist too," and she told me the name of the church she attended. I decided to share the Gospel with her. Bernice thought that in addition to believing on Christ, one must stop sinning to go to Heaven. In just a few minutes, she was convinced by the Scriptures that salvation is by faith in Christ alone. She admitted that neither she nor anyone else has stopped sinning, so she called upon Jesus to save her from all of her sins – past, present, and future! She said that she was touched by the explanation of the verses. We praise God for Bernice's salvation!

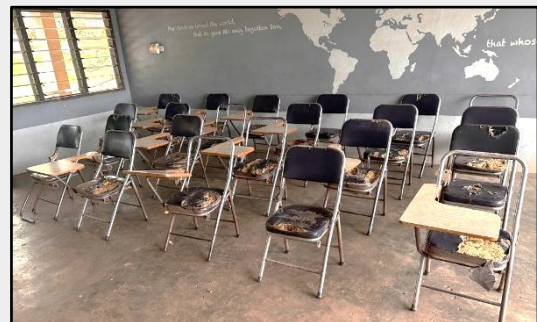

Using e-Sword: This was the name of the class I taught in our Bible college in September. What a help this free software has been to me and to millions of others! I had the privilege to help (*from left to right in the picture*) Moses, Emmanuel, Joe, Martin, and Daniel get the software installed on their laptops and teach them how to use the software. It was an English class, a computer class, and a Bible class all rolled into one. I told the class that it was a lot of fun studying the Bible together for a week. One of the students remarked, "Sir, thank you so much for such

a practical class you conducted for us this week; I am glad to have had such a class." Pray for God to use these men greatly in the future; four will be graduating from our Bible college soon.

College Desks: Five years ago, God used several individuals and churches to help purchase 60 quality desks for our Bible college. These desks have been a blessing! We double-use them in college classes and in Sunday school. Another need has gradually arisen. We have other desks that were purchased for the college 19 years ago. Twenty-two of them are in various states of disrepair (*photo on right*). With just \$600, we could reupholster these desks and make them usable in our Bible college and Sunday school classrooms. Let me know if you would like to help! Our ministry has other needs: fbcikumasi.com/projects.

Thank you for your prayers and support!

Mike, Maria, Joy, Faith, and Ben
